

Human Health Topic Forum Workshop

April 22, 2008

Landmark Convention Center

Workshop Agenda

9:00 Welcome, introduction and setting the context *Martha Neuman*

- Puget Sound Partnership and its charge
- Topic Forum overview
- Expectations for the workshop

Session 1: What do we know about the status and threats to Puget Sound?

9:20 Core team presentation *Rob Duff*

Discussion *Facilitated by Mike Sharar*

- Have we accurately described what we know and don't know about Puget Sound and human health, and our certainty of knowledge?
- Have we missed any major findings?
- What are the key themes from this paper that should carry forward to the Action Agenda?

10:20 Break

Session 2: What is the documented effectiveness of solutions to addressing the threats?

10:30 Core team presentation *Stuart Glasoe*

Discussion *Facilitated by Mike Sharar*

- Does this accurately characterize the known certainty of effectiveness of the tools available?
- Have we missed any major findings (in the literature)? Locally? Elsewhere?
- What are the key themes from this paper that should carry forward to the Action Agenda?

11:30 Lunch (*on your own*)

Session 3: What are we currently doing to address the problem?

12:30 Core team presentation *Larry Fay*

Discussion

Facilitated by Mike Sharar

- Does this accurately characterize what we are now doing?
- Have we missed any major findings? Locally? Elsewhere?
- What are the key themes from this paper that should carry forward to the Action Agenda?

Session 4: What criteria should we use? What actions should we stop, add, realign, continue?

1:15 Core team presentation

Rob Duff

2:00 Breakout sessions: Facilitated discussion of key questions

- Have we accurately captured the principles that should be reflected in the strategies to address threats to Puget Sound?
- Did we capture actions that should continue, be added, be changed or stopped?
- How will we measure progress?

2:45 Break

3:00 Continue breakout sessions

4:00 Summary of breakout discussions

Facilitators

4:15 **Wrap-up & next steps**

4:30 **Adjourn**
