Pierce County	Conservation Futures
	Tree Conservation
	Native Vegetation
	Open Space/Biodiversity
	Regional Trail Program
	Partnerships and Conservation Easements
	Sensitive Land Use Zones

Organization	Program Name
Pierce County	Shoreline zoning - No Density Bonus
	Impervious Surface/Native Vegetation requirements
	Title 18E Critical Areas (Wetlands and Fish & Wildlife regulations)
	Advanced Wetland Mitigation
	Land Use Buyout
	Current Use Assessment
	Floodplain Acquisition and Lands Management
	Shoreline Armoring
	Community Land Use Plans
	Transfer of Development Rights
	Integrated SEPA process
	Community Plan implementation
	Community Plan coordination
	Coordinated Water System Plan
	Supplemental GMA Elements
Pierce County (WRIA 10/12) Lead Entity	Salmon Habitat Protection and Restoration Projects
Pierce County - TriCounty ESA Response Effort	Open Space section of the Land Use Element of the Comprehensive Plan for Pierce County, 19A.30.170
	Stream Team & P.C.C.D
	Environmental and Critical Areas element, PC Comp Plan (Title 19A)
	Road Maintenance - Maintenance Activities
	Road Operations Annual Work Plan
Port of Seattle	Capital Improvement Projects, Seaport Division
	Capital Improvement Projects, Aviation Division
	Wetland Covenants
	Long-range Facilities Planning
	Restoration Policies
	Public Planning
Port of Tacoma	Habitat Mitigation and Stewardship
	Vineyard Snail Eradication Program
Puget Creek Restoration Society	Watershed restoration and research project
Puget Sound Restoration Fund	Miscellaneous Habitat Restoration/Enhancement Projects
Puyallup Tribe	South Prairie Creek Acquisition (RM 0-5)
	White River Acquisition and Setback Levee (RM 5.2-6.2)
	White/Puyallup Confluence Acquisition and Setback Levee (Right Bank at RM 9.9)
	Upper White - Greenwater/Huckleberry Creek: Road decommissioning in floodplains
	TransCanada setback levee -White River
	Boise Creek Golf Course Segment
	Greenwater River Engineered Log Jams (ELJs) - Phase II (RM 4.5-8.2)
	Calistoga Oxbow Culvert Replacement
Renton School District	Salmon in the Classroom Program

Organization	Program Name
Shoreline's Community Wildlife Habitat Project	Shoreline's Community Wildlife Habitat Project
Skagit River System Cooperative	SRSC restoration projects
	Land Acquisition
	SRSC Permit Review
South Puget Sound Salmon Enhancement Group	Salmon Habitat Restoration
	Habitat Assessments
Stewardship Partners	Snoqualmie Stewardship Program
	Salmon-Safe Certification
	Sustainable Building Program
Stillwaters Environmental Center	Stream & Estuary Monitoring program
	Restoration Projects
Species, Foodweb, & Biodiversity	
City of Auburn	Roadside Herbicide Application
	Herbicide Application
	Pesticide Application
City of Buckley	White River Riparian Corridor Property Acquisition
	Critical Areas Regulation (BMC 12.08-12.13)
City of Federal Way	Aquatic Weed Management
	Watershed Planning (WRIA 9)
City of Seattle	Lake Washington basin juvenile Chinook migration studies
City of Tacoma	Fish Enhancement
	Fish Passage Modification in LaGrand Canyon
City of Tacoma, Public Works	Regional Road Maintenance Endangered Species Act (ESA) Program
King County	CPP Policy CA-8 - fish and wildlife habitat
	KCCP Policy NE-603 -Preserve habitat for endangered species
	Local Action for Biodiversity
	Ecological Lands Program
	King County Comprehensive Plan
	Noxious Weed Control Program
	Shoreline Management Act
	Salmon Watchers
	Naturescaping Program
	Kokanee Monitoring
	Spawner Surveys: Sockeye, Coho, Chinook
	Salmon Juvenile out-migrant surveys
Food Web Modeling	
National Park Service	Amphibian Monitoring
	Status of Native Bull Trout and Cutthroat Trout (Mount Rainier National Park)
Pierce County	Agricultural Strategy
	Title 18E Critical Areas (Wetlands and Fish & Wildlife regulations)
	Use of Comp Plan - Open Space Element
	InterCounty Executive Order
	Salmon Recovery Plans

Organization	Program Name
Pierce County	Chambers Creek WDFW Adult Trap and Juvenile Acclimation Facility Improvements
Port Townsend Marine Science Center	Citizen Science Programs
Puget Creek Restoration Society	Watershed Studies
Puyallup Tribe	• Installation of fish screens at Electron Dam Diversion
Skagit River System Cooperative	Harvest Management Program
	Harvest Management Research/Monitoring
	CWT Hatchery/Wild comparison
South Puget Sound Salmon Enhancement Group	SPSSEG ed/outreach, Kennedy Creek Salmon Trail
Whale Watch Operators Association Northwest	Be Whale Wise guidelines/WWOANW Best Practices
Water Quality	
City of Auburn	Mill Creek Water Quality Management Plan
	Airplane Fueling
	Landscape maintenance, Auburn airport
	Water quality inspection and enforcement
	Spill Response (Includes containment and source tracing)
	Catchbasin Cleaning
	Pipeline Cleaning
	Public Education
	General Water System Maintenance and Operation Activity (includes system maintenance and repair, hydrant and system flushing, reservoir and facility maintenance and operation)
	Water Resource Protection Program (Aquifer Protection Plan)
	Street Flushing
	On-site fueling
	Annual King County Hazardous Waste Mobile visit to Auburn
	Twice yearly household special collections event
Used oil recycling	
Used filter recycling	
City of Bellevue	Surface Water Operations and Maintenance Plan
	Private Maintenance Drainage Inspection Program
	Comprehensive Drainage Plan
	Stormwater Management Plan
	Spill Response Program
	Lakemont Filtration Facility Water Quality Monitoring
City of Buckley	Sewer System Capital Improvement Plan
	Stormwater Capital Improvement Plan
	Health & Sanitation (Title 8 BMC)
	Sewer Use Regulations (BMC 14.06)
	Stormwater Management (BMC 14.30)
