

South Puget Sound Action Area Workshop

July 16, 2008

Horton Community Center

Purpose

- Review Partnership strategic priorities and identify existing local actions to help meet them
- Identify local gaps in addressing problems in Puget Sound

Workshop Agenda

1:00 Welcome

1:10 Overview of Action Agenda progress

- Puget Sound Partnership progress to date
- Expectations for the workshop

Session 1

1:25 Strategic Priorities: review Partnership's strategic priorities

1:40 Action area profile and map

- Is this an accurate picture of your action area? What should be changed?

2:00 Break

Session 2

2:20 Aligning local and regional priorities

- Priority D: Prevent the sources of water pollution
 - What are you currently doing in support of this priority? What are the top priorities?
 - What are the local barriers to achieving the priority?
 - What else can you do to help the Partnership achieve this priority? How can the Partnership help you achieve this priority in your action area?

- Priority C: Reestablish the ecosystem processes that sustain Puget Sound.
 - What are you currently doing in support of this priority? What are the top priorities?
 - What are the local barriers to achieving the priority?
 - What else can you do to help the Partnership achieve this priority? How can the Partnership help you achieve this priority in your action area?

- Priority B: Protect the intact ecosystem processes that sustain Puget Sound
 - What are you currently doing in support of this priority? What are the top priorities?
 - What are the local barriers to achieving the priority?
 - What else can you do to help the Partnership achieve this priority? How can the Partnership help you achieve this priority in your action area?

- Priority A: Ensure that activities and funding are focused on the most urgent and important problems facing the Sound.
 - Identifying areas of focus
 - What are the local barriers to implementation?

4:50 Wrap up & next steps
